### Can I burn rubbish or grass cuttings?

#### WITHIN FIRE DANGER SEASON

#### ON A TOTAL FIRE BAN DAY

**Yes**, but only in a properly constructed incinerator unless you have a permit from your local council to burn on the ground.

- When using an incinerator you must have:
- A four-metre cleared space around and above the fire
- A responsible person must be in attendance at all times with water or an extinguisher
- All incinerator doors and openings should be closed and screens and guards in place.

**No**, unless you have a Schedule 10 Permit from your local council.

The lighting of incinerators is banned during Total Fire Bans.

### Can I undertake harvesting activities?

#### WITHIN FIRE DANGER SEASON

#### ON A TOTAL FIRE BAN DAY

**Yes**, providing:

- You have a shovel or rake; and portable water spray are at hand; and
- Additionally:
- All engine exhaust exits through the exhaust system; and
  - the system prevents the escape of burning material
  - heated parts of the system are prevented from coming into contact with flammable material
  - the system is in good working order.

You should also follow your local Grain Harvesting Code of Practice available from your local council.

**Yes**, providing:

- You have a shovel or rake; and portable water spray are at hand; and
- Additionally:
- All engine exhaust exits through the exhaust system; and
  - the system prevents the escape of burning material
  - heated parts of the system are prevented from coming into contact with flammable material
  - the system is in good working order.

You should also follow your local Grain Harvesting Code of Practice available from your local council.

### Can I have a fire in a forest reserve?

#### WITHIN FIRE DANGER SEASON

#### ON A TOTAL FIRE BAN DAY

**No** fires, including barbecues and campfires, are permitted in forest reserves between November 30 to April 30 each year. However, gas barbecues may be permitted in designated areas in Mount Lofty Ranges forest under certain conditions.

For enquiries, contact the Forestry Reserve Office.

**No** fires are permitted.

### Can I have a fire in a National Park Reserve?

#### WITHIN FIRE DANGER SEASON

#### ON A TOTAL FIRE BAN DAY

Strict regulations apply to all fires, including barbecues, in National Parks and Wildlife Reserves. Signs are placed at the park entrance when fires are permitted, but they can only be lit in designated areas. Many National Parks and Wildlife Reserves have total bans on the use of wood fires.

For further information contact the Park Office.

**No** fires are permitted.

# OFFENCES

PD 320C Expiable Offences/fees - refer to word document Expiable Offences tab

## **S 85B CLCA – CAUSE BUSHFIRE**

(1) A person who causes a bushfire—

(a) intending to cause a bushfire; or

(b) being recklessly indifferent as to whether his or her conduct causes a bushfire is guilty of an offence. **Maximum penalty: Imprisonment for 20 years.**

(2) A bushfire is a fire that burns, or threatens to burn, out of control causing damage to vegetation (whether or not other property is also damaged or threatened).

(3) An offence is not committed against this section if—

(a) the bushfire only damages vegetation (or other property) on either or both of the following:

(i) the land of the person who causes the fire;

(ii) the land of a person who authorised, or consented, to the act of the person who caused the fire; or

(b) the bushfire results from operations genuinely directed at preventing, extinguishing or controlling a fire.

## **FIRE DANGER SEASON PERMITS**

Permits under section 81 of the Fire & Emergency Services Act are only active during the declared Fire Danger Season as advertised in the Government Gazette.

There are 2 types of permits - Schedule 9 (normal) & Schedule 10 (Total Fire Ban Days).

Further info from LOCAL COUNCIL or CFS BUSHFIRE INFOLINE on 1300 362 361
